Research Activities

Research projects

Row	Usercode	Title	Role	Status	Thesis
1	961381	Innate heat description in Persian Medicine and evaluation of gold nanoparticles therapeutic effects on D-galactose induced aging in male mice	Executive	The Performance	yes
2	960191	Explanation of Cholestasis in Persian traditional medicine and evaluation of effect of a therapeutic package based on Barberry oxymel on clinical and laboratory sings of Cholestasis	Executive	The Performance	yes
3	950905	explanation of coldness based on Persian medicine and evaluation of Lettuce, Watermelon and Carrots extract on nerve conduction velocity and memory in rat	Executive	The Performance	yes
4	950101	Study of Metabolic Syndrome from the Perspective of Iranian Medicine and Clinical Trial of Capparis spinosa L. (Caper) Oxymel Product on Diagnostic Indexes of Metabolic Syndrome in Patients with Diabetes Mellitus Type II	Executive	Finished	yes

5	941253	Elucidation of Neuropathy from the viewpoint of Iranian Traditional Medicine and Clinical Trial of Capparis Spinosa in Diabetic Neuropathy	Executive	The Performance	yes
6	941252	Explanation of the ulcerative colitis from the Iranian Traditional Medicine perspective and Assessment of the effect of a traditional product on the therapeutic process of the disease	Executive	The Performance	yes
7	940507	Explanation of cerebrovascular attack (CVA) based on Iranian traditional medicine (ITM) and evaluation of an ITM – based protocol on clinical improvement of CVA	Executive	Finished	yes
8	940257	Explanation of HozaI in Traditional Persian Medicine (TPM) and Evaluation of TPM based food supplementary on Failure to Thrive	Executive	Finished	yes
9	931557	Explanation of gastric indigestion in- Iranian traditional medicine and effect assessment of Zabib syrup on gastric indigestion due to stomach cold and wet dystemperament	Executive	Finished	yes
10	930356	Characteristics of Khorasan Razavi local foods from traditional Iranian medicine's viewpoint	Executive	Finished	no
11	930355	Measurement Of Methanol and ethanol Contents In Most Commonly Used Herbal Distillates of three famous brands of Mashhad	Executive	Finished	no
12	910945	A descriptive comparative study on massage in Traditional Iranian Medicine and Chinese Medicine	Executive	Finished	no

13	910559	Curative effects of plantago lanceolata extract in indomethacin-induced peptic ulcer in rat	Executive	Finished	no
14	901176	Evaluation of hypnotic effects of Cucurbita melo and Curcubita pepo hydro-alcoholic extract in mice	Executive	Finished	no
15	970248	Study of inflammation (amas) in persian medicine and investigate the effects of Portulaca oleracea in the CFA induced inflammatory model in rats: histological examination, and anti-inflammatory and antioxidant effects.	Colleague	The Performance	yes
16	961898	The effect of viola odorata syrup on hot flashes and sleep quality in postmenopausal women	Colleague	The Performance	yes
17	960861	Effect of St. John's Wort on appetite in obese and overweight patients	Colleague	The Performance	no
18	960852	بررسی اثر گزنه و مقایسه آن با پلاسبو بر گرگرفتگی دوره یائسگی	Colleague	The Performance	no
19	960790	تبیین اسباب سرطان در طب ایرانی و بررسی اثر عصاره ی پیاز عنصل بر سایتوتوکسیسیته، آپوپتوز، مهاجرت و پروليفراسيون دو رده ی سلولی سرطان (MCF7 و MDA-MB231) پستان	Colleague	The Performance	yes
20	960728	evaluation of Hejamat an diet changes on clinical and hematologica parameters in patients whit refractory stable angina	Colleague	The Performance	yes
21	960324	Evaluating the effect of nutritional education 'based on the principles of health protection of Iranian traditional medicine 'on the nutritional performance and anthropometric indices of students	Colleague	The Performance	yes
22	951739	Comparing Integrative	Colleague	The	yes

		Medicine and standard treatment in weight loss: A Randomized Controlled Trial		Performance	
23	951016	Dorema Ammoniacum and acupuncture effect in treatment of patients with stroke	Colleague	The Performance	yes
24	950798	knee osteoarthritis in Persian medicine and evaluation of topical preparation of trifolium pratense on clinical indexes of knee osteoarthritis in elder	Colleague	Finished	yes
25	950601	بررسی انکیباب بر پایه منابع طب ایرانی و طراحی و ساخت دستگاه انکیباب	Colleague	The Performance	yes
26	950153	Explanation of Diabetic Gastroparesis Based on Persian Medicine & the study of Pistacia Atlantica Kurdica Gum effect on Diabetic Gastroparesis Symptoms	Colleague	Finished	yes
27	941700	Explaining of the Persian massage and reviews the effectiveness of a kind of Dalk (Iranian massage), in Ergh al-Nassa disease (radicular Low back pain)	Colleague	The Performance	yes
28	941269	Effect comparssion of camel serum antibodies and camel milk Lactoferrin in culture hepatitis C virus	Colleague	Finished	yes
29	930612	The Effect of Berberis Vulgaris Extract, On Cutaneous Leishmaniasis: A Clinical Trial	Colleague	Finished	yes
30	922662	Exploring the Hepatitis based on Iranian Traditional Medicine and investigating the effects of Camel Milk Products on the laboratory markers in the patients with chronic hepatitis, genotype 2 & 3: A Mixed Methods study using qualitative (content analysis) and quantitative approaches.	Colleague	Finished	yes
31	922501	Comparative efficacy	Colleague	Finished	yes

evaluation of Iranian
traditional medicine-based
diet and Conventional
medicine-based diet on Non-
alcoholic fatty liver

32	910944	Descriptive survey and comparison of pulse diagnosis in Iranian and Chinese traditional medicine	Colleague	Finished	no
33	900478	The efficacy of Hydro alcoholic Extract of Seidlitzia rosmarinus on treatment of experimental Zoonotic Cutaneous Leishmaniasis in murine model	Colleague	Finished	yes
34	87898	Comparision of efficacy of yolk with nitroglicerine ointment in treatment of acute fissure	Colleague	Finished	no
